MEMORANDUM FOR: Chief, European Division, DDO  
FROM: Director of Central Intelligence  
SUBJECT: Trip to NATO [REDACTED]

25X1

Sometime during the fall I'd like to take that long deferred visit to NATO Army Headquarters in Germany [REDACTED]. One of my main objectives will be to get a better understanding of the intelligence problems involved in the defense of Europe. To do this right will take some preparation and you might talk with [REDACTED] about helping get this done. It seems to me that his joining in the visit would help us get into relevant areas of inquiry and discussion. Will you discuss it with him and make a start in developing a substantive program as well as a possible schedule for this.
